dialog

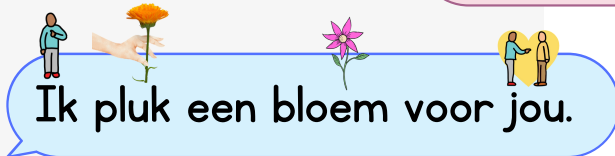

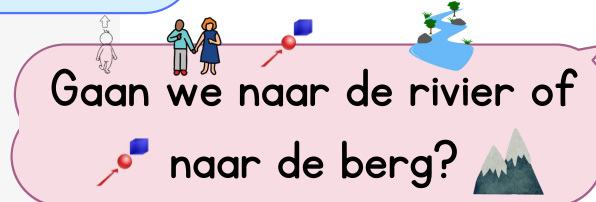

We stappen in het bos.

Ik zie bloemen tussen de bomen.

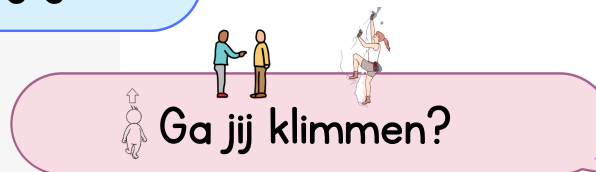

Ik pluk een bloem voor jou.

Gaan we naar de rivier of
naar de berg?

Ik wil naar de berg gaan.

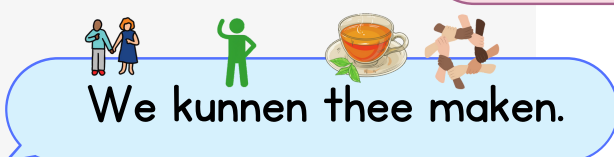

Ga jij klimmen?

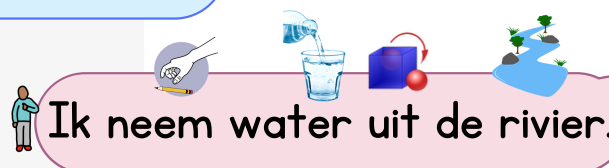

Ja. Maak jij dan een vuurtje?

Oké, ik zoek takken.

We kunnen thee maken.

Ik neem water uit de rivier.

Wil je een plantje meenemen?

Ja, dan plant ik het thuis.

Het plantje kan groeien met
water en zon.

Ja, dan plant ik het thuis.

Hallo Anna! Hou jij van de natuur?

Ja, ik vind het heerlijk om in het bos te wandelen. En jij?

Ik ook! De bomen en bloemen zijn zo mooi.

Kijk, daar is een grote vijver! Zie je de eendjes?

Ja! En daar zwemt ook een vis in het water.

In de zomer ga ik graag naar het strand. De zee is prachtig.

Ik hou van de bergen. Daar kun je mooi wandelen.

Ik wil ooit een waterval zien. Dat lijkt me magisch!

Ja! En ik wil een keer in een boot op een grote rivier varen.

Mijn oom ging ooit naar de woestijn. Daar is bijna geen water.

Dat lijkt me zo anders dan een bos of een meer!

Klopt! Elke plek in de natuur is uniek.

Daarom vind ik reizen zo leuk. Dan zie je steeds iets nieuws.

Ja! Misschien kunnen we samen een natuurwandeling maken.
